A MALE ESCORT'S MEMOIR OF LOVE

*Time for* HER

MITCH LARSSON

MITCH LARSSON WAS A REGULAR MAN LIVING A REGULAR LIFE AS A HUSBAND AND FATHER. AS MIDDLE AGE APPROACHED, SOMETHING CHANGED AND HE MADE A SNAP DECISION THAT WOULD CHANGE HIS LIFE AND THE LIVES OF MANY WOMEN IN WAYS HE COULD NEVER HAVE REALISED...

*Time for Her* chronicles an intense period in Mitch's life where he embarked on a spiritual journey as a highly successful male escort and learnt many valuable lessons about the complexities of life, relationships and what women needed from a paid lover.

He soon finds his emotional resilience tested when faced with the heartbreaking reality of being the final companion to a terminally ill client, whilst simultaneously giving his all to please kinky clients, virgins, survivors of abuse and even crazy cat ladies.

*Time for Her* exposes the hidden truths of what it is to be a male sex worker in a taboo industry where real humanity is often overlooked...
